#### **STAGE 1 - Content Alignment to Standard Titles**

Accountancy or taxation professionals are recognised around the world as respected leaders in accountancy, taxation, finance and business. From providing strategic business advice to audited financial statements or driving mergers and acquisitions, a career as an Accountancy or taxation professional can be diverse and challenging; it's not just about putting numbers into a spreadsheet. Accountancy or taxation professionals use technical knowledge, skills and experience to lead organisations and people to make responsible and sustainable financial decisions. They are required to act in the public interest and must therefore maintain the highest standards of professional conduct and competency; upholding ethical behaviour and integrity at all times.
